

Welcome TO DRAMMEN SPRINGTOUR 2019 25 April -19 May

It's a pleasure to Welcome everybody to Drammen 2019.

We all worked hard to be able to present the place as good as we can and ready for the biggest horse event over 4 weeks ever held in Norway.

ARRIVAL: Due to the last years outbreak of different equine viruses its important that all Riders follow the rules set down here in this letter. We do this measurement to secure your horses.

We take youre horse safety seriously

BEFORE ARRIVAL:

You must make a log(also attached as a document here called "**pre show temp log**"). with the horse name and passport number, as well as the riders (or person in responsible) name and signature.

You must start temp the horses t least 2 (two) days prior to arrival 2 times a day and write it down in the log.

the riders (or person in responsible) must fill in the attached document calles "**Riders Statement**" That you guaranty that the horse has not been in the same stable or in contact with any sick horse or horse with known increased temperature the last 14 days prior to arrival.

Both this document is to be filled in for every horse youre bringing and to be given to stabve manager on arrival before unloading the horses.

Check youre passports so youre sure the horses has a correct vaccinations acc to FEI rules

1. ARRIVAL TIME. You can only enter the showground in these given times (if that don't fit with your FERRY you must have an written agreement where the stable manager by mail confirm it ok) stable@walber.no

AT ARRIVAL

You will be met by a stable officer at the area "of horse transports ONLY".

Here they will check the papers you have to bring with that's the :

"pre show temp log"

"Riders statement"

"Valid passport with valid vaccinations"

When documents is checked you will be given pre predefined box(es) for youre horse(s).

You must also fill in the parking/electricity card.

Youre truck will be led on to the quarantine area for onloading. Our personnel will try to help you with youre tacks and feeds. While you must walk through the quarantine stable to get the temperarues for youre horse cheked, and then go to youre boxes if no temperature or other sign for sickness. If temperature not ok or other signs of sickness the horse will be put in a temporary quarantine stable.

AFTER ARRIVAL.

Outside every box you must write in the log for temperatures for youre horse once a day.

We hope everybody will appreciate the means and resources we put in motion to secure a safe place for youre horses!

CLEAR ROUND EVERY THUESDAY BEFORE THE SHOW

Every thuesday before the show, we organize a traing show (clear round) This is only for horses arrived on the venue and starting springtour, No day visits allowed because of the bio security measures.

The Resurant Sancerre will be open every day of the week with fresh and good Italian inspired food.

Every Thursday-Sunday the Chef Janson Tent will be open for everybody to enjoy superb food with a nice view to the Arenas andaslo for nice Meals in the evenings
